

GASTROCNEMIUS STRETCH

01. Stand with your right foot back and your leg straight, keeping your forward knee bent.
02. Keep both heels in contact with the ground. Next, lean into the wall until a stretch is felt in your calf.
03. Hold for 30 seconds. Then repeat on the left foot back and keeping your right knee bent.
04. Repeat twice per session, 3 sessions a day.
